

FIRST UNITARIAN CHURCH OF DALLAS Stock Transfer Process

1. Please complete the form on page 2 and send it to your stockbroker. Before you send the form to your stockbroker, contact Kay Ashley at the church (kashley@dallasuu.org) 214.-884-1201) to inform her of your gift.
2. Please be sure to record the date of your gift, the number of shares, and the stock name on the form so all goes smoothly with the transfer.
3. At this point, your broker will have everything she/he needs to make the transfer to our stockbroker, Kelly Landen (with BOK Financial Securities, Inc). You or your broker should also contact Kelly to inform her of this transfer. Her contact information is included at the bottom of page 2.
4. Once Kelly receives the stock, she will sell the stock on the church's behalf. Stock transfers occurring near the end of the trading day may not be received and sold until the next business day.
5. Please ask your broker to note the value of your stock gift upon donation for your tax purposes by using the median value (high and low for the day divided by two) of the stock on the date of the gift.
6. The church will generate a stock gift acknowledgment letter. This letter will indicate the date of the stock gift and the number of shares given. The church will not value the stock gift in this acknowledgement. The stock value, as it was received by the church, will be included on quarterly and year-end records of giving. The church understands that this value may be different from the stock's tax accounting value.

If you have any questions about this process, please contact Kay Ashley at the church, kashley@dallasuu.org or 214-884-1201.

First Unitarian Church of Dallas thanks you for your continued generous support of our work.
